"Equipping students to become Christian leaders who will impact the world for Christ."

Thank you for your interest in Victory Christian School. Victory Christian School will begin its 42nd year providing Christian education to the tri-state area in the fall of 2017.

God has been faithful to VCS and we are celebrating 42 years of quality Christian education. You know the spiritual and educational value of a Christian education and the need for your child to have a Biblical worldview in today's society.

As you know, numerous Christian schools in the tristate area closed due to lack of students and income. The goal of Victory Christian School is to continue to be financially sound and have the resources to add technology, professional development for the teachers, and other programs that will benefit and equip the students as they prepare for their calling in life.

All new and returning families, unless your account is paid in full by the stated due date, are an EdChoice participant, or receive full Tuition Assistance, are required to make your tuition payments to the school through FACTS Tuition Management Company. A yearly renewal fee is required and you may spread your payments over 2, 4, 10, or 12 months.

Enrollment opens on March 1st. You may view the tuition rates and fee schedules by opening the tuition rates tab. After you have reviewed the information and would like to proceed with the application process, please contact the school office to set up a parent interview and tour which you may schedule beginning in January. Victory Christian School is an EdChoice participating school.

Please let me know if I can be of further assistance.

In His Service,

Colleen McCullough
Principal/Administrator
