Dear Parents,

We have signed with a new caterer this year. Culinary Management will now be providing our lunches for us. The price for the 2016-2017 paid lunches will be \$3.75. We will not be offering the main dish ala cart this year. If your student wishes to order they will need to order an entire lunch. If you have any questions please email me at [sarah.knepper@neomin.org](mailto:sarah.knepper@neomin.org) . I will be sending the menu and lunch order forms in a separate mailer when it is closer to the first day of school.

***It is very important that all lunch order forms get turned in on Monday mornings by 8:00 a.m. If your child is going to be absent on Monday please call in their lunch order for that week by 8:00 a.m. Monday morning. If you do not they will not receive lunches for that week and will have to pack their lunch until the next order form comes out the following Friday. There will be no extra lunches available for purchase,*** therefore please be sure to order for each day of the week your child will be participating in the lunch program.

If you have a Free and Reduced Priced School Meals Family Application you wish to turn in please do so as soon as possible. I will begin approving applications the week before school starts. If your child(ren) do not qualify for free or reduced lunches they may order lunches at the full price for that week as long as there is an order form with payment turned in on Monday morning. Lunch Prices this year will be **\$3.75** for paid students and **\$.40** for reduced students.

VCS also offers breakfast each morning between 7:20 a.m. and 7:40 a.m. There is no pre ordering. This year the breakfast menu will be on the back of the lunch menu. Each day your child will have the option of choosing between waffles and one other main dish. Each breakfast comes with a main item, ½ cup fruit, orange juice, and milk. If your child would like breakfast they can pay or charge the full price of \$1.25 or if they receive reduced lunches their breakfast is .30. If the students do not have time to eat it they are welcome to keep the prepackaged items to use during snack time.

Sincerely,  
Sarah Knepper
